2006-2006 Acadian Comprehensive Education for Success. Acadian Ambulance Service
2007-2007 Acadian Ambulance Critical Care Transport Training
2009-Current *Enrolled in MBA Program, Flores Business School, LSU*

EMPLOYMENT

2009 – Present Education Coordinator / National EMS Academy
My primary role as an Education Coordinator is to teach the National Standard Curriculum and National Education Standards for Paramedics to EMT and Paramedic students in the Emergency Health Sciences Program at the National EMS Academy. This role also includes teaching continuing education courses to Paramedics actively working in the field of pre-hospital medicine.

2010 – Present Training Specialist / U.S. Department of Health and Human Services National Disaster Management System
Responsible for all training LA-1 DMAT in preparation for deployment to a wide variety of natural and man-made disasters required disaster medical assistance through the National Disaster Management System. This includes training on function and operation of all items in caches, deployment strategies, medical training, certification and recertification of required courses, and continuing education training and retraining for team members.

2008 – Present Asst. Coroner / Avoyelles Parish Coroner's Office
Function in the capacity of Coroner in his absence. This includes the investigation of suspicious deaths, child abuse and neglect, etc.

2008 - Present Coroner's Office Disaster Regional Coordinator – Region 6 / State of Louisiana
Coordinate disaster resources and response to emergencies and disasters within the State of Louisiana specifically DHH Region 6. Communicate and Coordinate efforts of Coroner's Offices within Region 6 to better utilize scarce resources to plan for, mitigate disasters and events of mass fatalities.

2006-2009 Field Training Officer / Acadian Ambulance Service – Capitol Operations
I am responsible for the tracking of all of the narcotics in the Capitol City area, as well as the Quality Improvement program in the Capitol City Area. I work very closely with the Chief Medical Officer in protocol and medical policy development.

2007-2007 Medical Officer / Avoyelles Parish SWAT Team
Responsible for protocol development with the Medical Director for the Avoyelles SWAT team. Also responsible for the treatment of officers on the SWAT team during hostile deployments and activations. Responsible for the Management and Coordination of all medical resources associated with any SWAT deployment involving the Avoyelles Parish SWAT team.

2005-2007	Police Officer/Moreauville Police Department I was responsible for patrolling and enforcement of federal, state, and local laws in Moreauville, Louisiana. This included arrest authority.
2005-2007	Police Officer/Mansura Police Department I was responsible for patrolling and enforcement of federal, state, and local laws in Mansura, Louisiana. This included arrest authority.
2005-2006	Nationally Registered EMT-Paramedic/Acadian Ambulance Service Inc. Medic Support Center Operator. I assisted other EMT's and Paramedics with medical documentation and medical billing. I entered medical information into electronic medical records and complete digital invoicing for patient billing.
2004-2006	Nationally Registered EMT-Paramedic/ Acadian Ambulance Service Inc. Field Paramedic I worked as a field paramedic for Acadian Ambulance Service Inc. I provided emergency medical care for a wide variety of medical problems in a pre-hospital environment. I performed emergency medical record audits to assist Acadian Ambulance's Quality Assurance Program.
1998-2004	Corrections Lieutenant/ NREMT-P, Louisiana State Penitentiary I was responsible for assigning work locations for five to seven members of the shift I was supervising. I was also responsible for monthly training conducted on each shift.
2002-2004	Anatomy and Physiology Laboratory Instructor, Our Lady of the Lake College I coordinated classroom and laboratory activities for College Level Human Anatomy and Physiology Laboratory Classes. This included lectures, examinations, and
1998-2000	Nationally Registered EMT-Paramedic, Med Express Ambulance Service I was responsible for an advanced life support ambulance. I assisted in providing emergency medical services for the area covered by Med Express Ambulance Service.
1997-1998	Corrections Sergeant/NREMT-Basic, Louisiana State Penitentiary I was responsible for providing basic life support on an advance life support ambulance and in the Assessment and Treatment Center at Louisiana State Penitentiary.
